4. WARRANTY CERTIFICATE / UNDERTAKING

Warranty Period: 1 (One) Year

AeroLab Scientific Systems Pvt. Ltd. hereby declares for this BidNexusAI demonstration that the Oxygen Free Chamber offered against GeM Bid GEM/2026/B/7830920 carries a warranty of **one full year** from the date of final acceptance of the goods or after completion of installation, commissioning and testing, as applicable at the consignee location.

During the warranty period, the vendor undertakes to rectify defects or breakdowns in the supplied equipment. The vendor will provide the required OEM warranty certificate at the time of delivery of the goods.

The vendor also confirms availability of installation, commissioning, training, troubleshooting and maintenance support in India and will provide service support near the consignee destination.

5. TRAINING UNDERTAKING

The vendor will provide training to **2 employees** at **BARC** for a duration of **5 days**, covering operation, basic troubleshooting, maintenance and safe use of the supplied equipment.

6. PRE-DISPATCH INSPECTION UNDERTAKING

The vendor accepts the buyer's pre-dispatch inspection requirement. The equipment will be made available for inspection at the seller premises before dispatch. Dispatch will occur only after the required inspection clearance.

7. DOCUMENT CHECKLIST FOR BidNexusAI

Evidence	Status
